

# ANSWERS AND SOLUTIONS

## Help Stanley add up the bill for King Charles

Item	Cost
The king has paid for 16 Hats that cost £1 each	= <b>£16.00</b>
He has also paid for 3 Balloons that cost 50 pence each	= <b>£1.50</b>
The three Sausage Rolls cost 70 pence each	= <b>£2.10</b>
Four cups or mugs of tea cost 50 pence each	= <b>£2.00</b>
All 39 flags and items with a union jack cost £1 each	= <b>£39.00</b>
<b>Add them all up and write the answer just here = £ 60.60</b>	

## Let's play detectives

Have a closer look at the street party picture to see how many of the following you can count

- How many Chimney pots are there? **2**
- How many people are wearing sunglasses? **6**
- How many bottles can you see? **5**
